25X1	1. 2.	The Soviet supply depot at Erfurt-Marbach, consisted of the former Erfurt Getreidesilo on the south side of Marbacher Strass, the cold-storage building on Schlachthofstrasse, Nos 26 and 27 Nordlaguser Strasse, and the Martin villa at 12 Marbacher Strasse which house offices and quarters for the Soviet personnel. The superior headquarters of the Erfurt supply depot is located in minar. Major Jeneral Kolonichenko (fnu) who inspects the depot at long intervals belongs to this headquarters. There are also connections between the 'epot and the Erfurt town komendatura. A courier carries mail to Berlin-Marlahorse twice a month.	5
25X1 25X1	3.	uniformed officers, some of whom were administrative officers, I veterinary surgeon and I paymaster; 10 to 15 Soviet civilians, some of them with army rank; about 55 M and NCOs; and NO soldiers, about 20 years of age, who were in their second or third year of service and were employed as quard unit. Prior to 13 July, the guard unit consisted of only 21 men. Licutement Colonel Vasili Shevchenko (fnu), who were red-bordered golden epaulets with artillery insignia commanded the unit. Jewish descent from the immediate vicinity of Noscow and was billeted in the Jewish descent from the immediate vicinity of Noscow and was billeted in the Captain Vasil Poteshin who were red-bordered golden epaulets and was the chief of the coldstorage building; Captain Zasha Molotnak (fnu) who were red-bordered silver epaulets with intendance insignia; Captain Andrew Okunev, whose red-bordered silver epaulets with intendance insignia; and Senier Licutement Dimitrov Kusnitsov who were red-bordered golden epaulets with epaulets with intendance insignia; and Senier artillery insignia. Nost of the other officers were red-bordered silver epaulets with intendance insignia. Thoy were billeted in the buildings with the offices on Nordhaeuser Strasse and in the Nartin villa. They alternated their work between the offices and the supply depot. In addition, two German were permanently employed there as interpreters and workers. A large number of German workers had been discharged a long time ago.	3
